ROLL OVER CANCER MONTH

For many years, the students at NN have participated in a service project the month of February to help raise money for St. Jude Children's Hospital. As a school event, there will be a skate night on February 16 from 5:00-9:00 p.m. at North Canton Skate and Entertainment Center. The cost is \$10 a person, including adults or others outside of our school or district who want to participate in roller skating, laser tag, rock wall, bumper cars, and other activities. More information about the skate party will be coming out in the future.

The school will also have 4 theme dress up days for a \$1.00 donation for each day.

- Monday, Feb. 13- Hat Day to "Cover up Cancer"
- Tuesday, Feb. 14- Red Day to "Show Your Love to Someone" (Valentines Day)
- Wednesday, Feb. 15- PJ Day to "Put Cancer to Sleep"
- Thursday, Feb. 16- Upstander/ Blue/White Day to "Celebrate Our Community Coming Together"

ALL money raised will go to St. Jude through the K105 (WQXK) radiothon. Over the last 15 years, the Louisville City School District has helped the radiothon by donating almost \$60,000 to this great organization.

Thank you in advance for helping us teach students the importance of giving to those in need.

SCHOOL DELAYS AND CLOSINGS

School will either be delayed or closed on days when weather and driving/road conditions are hazardous and dangerous for students and staff. The forecasting and predicting of hazardous weather in Ohio is always challenging, and the decision to cancel or delay school must be made very early in the morning. **Delays and closings will almost always be announced by 6:30 a.m. If there is no announcement to cancel or delay school by 6:30 a.m., you may safely assume that school will be in session.**

Parents will be notified by the School Messenger Telephone Notification System in the event school is delayed or canceled. The "School Messenger" phone call and parent notification may take several minutes to reach your home if there are a number of area school delays or closings.

If school is delayed, Louisville Schools will only delay the opening of school for two hours. Rarely, if ever, will school be delayed and then canceled. All bus runs and school starting times will simply be delayed by two hours. **There will be no AM preschool when school is delayed for two hours**, and no breakfast will be served in any of the school cafeterias.

A **two-hour delay** simply means that school will be delayed by two hours in the morning. Students should report to school or to their bus stop two hours later than their normal times. Buses will pickup students two hours later than the normal pickup times. School buildings will operate on an adjusted schedule, and students will be dismissed from school at their regular times and at their regular bus return trip times.
