Now, THEREFORE BE IT, AND IT IS, HEREBY RESOLVED that Louisville Board of Education hereby approves the following plan and authorizes its filing with the Ohio Department of Education.

PLAN FOR ALTERNATIVE MAKE-UP OF CALAMITY DAYS

Pursuant to Ohio Revised Code section 3313.88, the Board of Education of Louisville City Schools hereby authorizes the following plan to allow students of the district to access and complete classroom lessons in order to complete up to three days of instruction in excess of the number of days permitted under section 3313.48 because of the closing of schools for any of the reasons specified in section 3317.01.

- 1) This plan is submitted, pursuant to approval of the board of education, prior to August 1, or the current Ohio Department of Education's deadline.
- 2) This plan includes the written consent of the teachers' employee representative as designated under division (B) of section 4117.04. Such consent is on file in the official file of the board of education and is hereby incorporated into this plan as if specifically rewritten.
- 3) Not later than February 18th of the 2013-2014 school year, each classroom teacher shall develop a sufficient number of lessons for each course taught by that teacher with such lessons requiring, in the judgment of the teacher, an amount of time equal to or greater than the amount of instructional time the student would receive for three school days in such teacher's class.
- 4) The teacher shall designate the order in which the lessons are to be posted on the district's web portal or web site.
- 5) Teachers will update or replace such lessons as necessary throughout the school year based on the instructional progress of students.

Each lesson shall be posted for each course that was scheduled to meet on the day of the school closing.
- 7) Each student enrolled in a course for which a lesson is posted shall be granted a two-week period from the date of posting to complete the lesson. If the student does not complete the lesson within this time period, the classroom policy on late or incomplete assignments will be in effect.
- 8) Students without access to a computer shall be permitted to complete the posted lessons at school after the reopening of school. Students utilizing this option will be granted two weeks from the date of reopening to complete such lessons. If the student does not complete the lesson within this time period, the classroom policy on late or incomplete assignments will be in effect. The district will provide access to district computers before, during, or after the school day (provided that the equipment is available and accessible at those times) or may provide a substantially similar paper lesson in order for students to complete the assignments.
