Lunch Balances

Beginning in the month of May, no student will be permitted to carry a negative balance in his or her lunch account. If they do not have enough money to purchase a lunch, they will be given a cheese sandwich and milk for lunch that day. Our kitchen staff sends home notices frequently letting students know their balance. If you have any questions or concerns, please call the kitchen office at 330-875-1177 before 1:30 pm on school days.

Kindergarten Registration

Please stop in at either North Nim or Louisville Elementary to register your child for kindergarten. Children who will turn 5 on or before August 1, 2018 are eligible to enroll in kindergarten.

Parents registering their children must bring the following: birth certificate, immunization record, child's Social Security card, two current proofs of residency and custody paper (if applicable).

The state of Ohio requires all children entering kindergarten have the following immunizations: five doses DPT (diphtheria, pertussis, tetanus), four polio, three Hepatitis B, two MMR (measles, mumps, rubella) and two doses of varicella (chickenpox) before the start of school.

Thank You!

Thank you for sharing your child with us this year. It has been a privilege to watch them grow and learn so much. Be sure to enjoy your time this summer with your child, and read, play, and have fun together.

Summer Practice

The Little Leopard Techie Page is accessible all Summer. Please encourage your student to get on to practice on the several sites listed. Also, READ, READ, and READ some MORE!

Student Supply Lists

Supply Lists will be sent home with each student next week for next school year. All lists will be posted on the school website.

Classroom Assignments

One of the most challenging aspects of the year's closure for our staff is the assignment of students for the upcoming year. It is an important task that no one takes lightly. There are many factors that are considered when class assignments are made:

- Boy/girl balance
- Ability/achievement mix
- Special service & tutoring needs
- Matching student learning to teaching style
- Gifted/talented clustering
- Special peer relationships
- Behavioral challenges that need to be addressed
- Parent input from conferences that address *academic need*

New Student Registration 2018-2019

Louisville City Schools is gearing up for the 2018-2019 school year. To make sure we have an accurate count for all of the classes, it is **vital** that you register your child as soon as possible for next year. If you have friends or family with a child entering school next year, please share this information with them.
