Virtual Parent/Teacher Conferences

Sign ups for parent/teacher conferences on October 8th or 15th are on our website or can be accessed by clicking [here](#).

Once signed up, the teacher will send you an email invitation to a google meet or will call you during that time slot. There will be no face to face conferences for the first semester. You may also be invited to a virtual conference by a teacher if they have concerns on your student's academic progress.

Second Nine Weeks Transition Requests

As the end of the nine weeks nears, families will be able to choose to change the way in which their children are currently learning. **The form to transition to online or in school is available from through October 12th.** You only need to complete the form if you are requesting a change in the way your child is currently learning. [Link to transition request form](#)

The end of the nine weeks is October 23rd and any change will go in effect on Monday, October 26.

- Students transitioning from the Leopard Virtual Academy to in-school learning must attend school in person on Monday, October 26, 2020.
- Students transitioning from in-school learning to the Leopard Virtual Academy must attend (with parent) orientation on Wednesday, October 21. Grades 7-12 will be at the high school at 5:00pm. in the cafeteria. A face covering is required and students should bring a school-issued Chromebook if they have one.

Communication

Students are encouraged to check their school email on a daily basis for important information. Daily announcements are also being sent to students via email so that all students have information available to them.

LHS NEWSLETTER October 2020

Parent Volunteers Needed-Halloween at Dave and Buster's!

LHS and Student Council are sponsoring a Halloween Night Out at Dave and Busters on October 31st from 10 p.m. until 1 a.m. The event is in lieu of the traditional Homecoming Dance. Tickets include dinner, unlimited soft drinks, gameplay, and discounts on other items. Tickets will be on sale the week of October 12th. This is for LHS students only.

We need a few parent volunteers to raise prizes to award kids for their costumes. This is similar to parent groups in the past who collected prizes from other parents and area businesses for after-prom. Our wish is to give our kids something to look forward to, as much as been eliminated for them during this pandemic.

Those interested can contact Katy Todd, student council advisor, at katy.todd@lepapps.org.
